- **BEST TA EVER!!** Bonsoon is a very very professional, passionate, responsible, knowledgeable especially on math, and helpful TA. :)
He is very clear and well-prepared on discussion sections(his discussion sections are better than the lectures to some degree!:) . He holds many office hour each weeks to help us, and he always stays long pass his office hour if we need extra more help. Addition office hour before midterms and final are always provided. He influenced my studying habit to be more efficient, and it makes me more enjoyable to learn math! Bon soon is a Great TA! I wish he could be a professor so that more people will enjoy math because of his teaching.
 - Bonsoon has a strong personality is brash at times, but is normally a good teacher. However, his office hours were always packed to the point there was a line out the door and thus pointless to go to and I wish he had scheduled a better room to have them in so that everyone could have had their questions answered.
 - Excellent and well-prepared! I really enjoy Bon Soon's discussion sections and office hours!! I really appreciate his help this quarter.
 - Great TA and genuinely cares about student learning the material! Always willing to stay past designated office hours to help students as well.
 - He provides detailed solutions to the homework, which prove helpful in cases that I may need an explanation or seek a better way to solve the problem. He explains problems and solutions efficiently, concisely, and legibly in discussion.
 - best TA ever in life
