- Bonsoon is very helpful and friendly. I wish there were more TAs like him! Also he went to Berkeley (my hometown) so he's cool.
 - Cannot survive this class without Bonsoon! Great TA!
 - Good, the teaching is great and easy to understand ,the grading is a bit strict that i need to show all the work on the problems.
 - He holds office hours for 4 hours. Before quiz and exams, he holds 2 extra office hours a week. Without Lin I could barely understand the class material. Thanks Lin! You truly saved my ass. The professor is bs compared to you.
